Frequently Asked Questions:
Interventional Cardiovascular Program

Wellcare Iowa
Effective January 1, 2027

Who is Evolent?

Evolent is a comprehensive cardiology quality management company whose goal is to apply evidence-based treatment to the delivery of cardiology care.

What is changing?

Beginning on January 1, 2027, Evolent will manage prior authorization for select interventional cardiovascular services on behalf of Wellcare Iowa. This change is designed to make the process more streamlined, automated, and transparent, reducing administrative burden for providers.

How do I request training?

If you have training needs or questions about this program, please email practicesuccess@evolent.com.

Which members are included?

Prior authorization will apply to Medicare members in Iowa 18 years of age and older.

What are the key benefits of this program?

- Faster, consistent determinations with specialty matched physician reviewers
- Immediate electronic approvals when available
- Real-time status updates
- Dedicated Evolent engagement team for ongoing support

How do I contact Evolent authorization support?

Contact 1.877.251.7995 (Monday - Friday from 7:00 am to 7:00 p.m. CST).

What services require prior authorization?

All planned/elective services performed in covered places of treatment:

- Cardiac catheterization and interventions
- Electrophysiology
- Vascular radiology and intervention
- Cardiac surgery
- Vascular surgery

What places of service are in scope for the program?

Physician's office, outpatient hospital, ambulatory surgical center, or *inpatient setting (*planned professional services only).

What provider specialties are in scope for the program?

All ordering provider specialties.

When will Evolent start accepting prior authorization requests?

Providers may begin contacting Evolent on January 1, 2027, to secure prior authorization for services scheduled on or after January 1, 2027, for Wellcare Iowa Medicare members.

Who reviews requests?

Evolent medical reviewers are licensed cardiologists using nationally recognized clinical guidelines to perform reviews.

What happens if the authorization request does not meet guidelines?

If the request does not meet evidence-based treatment guidelines, Evolent may request additional information or initiate a physician discussion with the requesting provider. Clinical guidelines for the program can be found in RadMD.

What will the Evolent authorization number (request ID) look like?

The Evolent authorization (request ID) consists of letters and numbers. The authorization number is available after a determination has been made on a request.

What is the Evolent tracking number?

The Evolent tracking number is issued upon submission of a prior authorization request prior to determination (approval or denial) of the request. Tracking numbers consist of numeric digits only. The tracking number can be used to find an authorization number (request ID).

Who is responsible for obtaining prior authorization?

The ordering physician or ordering physician's designated office staff must request prior authorization through Evolent.

How do I obtain prior authorization?

- Evolent portal at evolent.com/provider-portal, select RadMD.
- Via telephone at 1.877.251.7995 (Monday - Friday from 7:00 am to 7:00 p.m. CST).

What happens if authorization is not obtained?

If authorization is not obtained, Wellcare Iowa may deny payment for the relevant services.

Does prior authorization guarantee payment?

No. Prior authorization does not guarantee payment for services. Payment of claims is dependent on eligibility, covered benefits, provider contracts, and correct coding and billing practices. For specific details, please refer to your Provider Manual.
